

The **Summer at Spruce Tree Camp Series** offers elementary-aged students an opportunity to follow paths less traveled during the school year through fun, project-based summertime work in the following subject areas.

Camp E **It's a Big World**

A trip around the world... cultural arts and science.

Pack your bags and bring your passport for a whirlwind trip to destinations with rich culture, delicious foods, beautiful music and interesting history. First we'll fly to the East Coast of America and take a walk through our nation's capital, Washington D.C., and then head north to New York City, also known as the Big Apple. Then we'll cross the pond as they say to the land of our forefathers, England. We'll take the train through Paris and into Maria Montessori's homeland of Italy. From there we'll go around the world to the world's most populous country of China, and then finish the week in sunny Rio de Janeiro, Brazil.

Camp Day

Afternoon camps will begin at 12:00 pm and end at 3:00 pm, with drop-off 12:00 – 12:30 pm at the side gate. Lunchtime will begin at noon.* End of Dr. Who Science Lab / pick-up at 3:00 pm in the main school lobby.**
