ETHNICITY (CIRCLE ONE) Hispanic Non-Hispanic Other		RACE	Sex
Street Address	Email Address	Birth Date (MM/DD/YYYY)	Age
City	Zip Code	Home Phone #	Cell Phone #

This consent form acknowledges my permission for my child or myself (staff member) to participate in Antigen or PCR testing for the purpose of Exposure Testing, Symptoms Testing, Day 5 Screening Testing and/or Screening Testing.

What is the purpose of (Antigen) Screening Testing?

“Screening” is the testing of people for Covid19 who are asymptomatic and have no known exposure to someone who currently has Covid19. If someone has Covid19, but doesn’t know it because they have no symptoms, screening helps identify positive cases to prevent widespread transmission in a classroom or to family members in the home.

How is the test conducted?

Samples for testing are collected using a nose swab (small swab put into the front part of each nostril). The swab is placed in a folding card and the test administrator applies a reagent. Test results are read after 15 minutes.

What to Do After Testing

If the result is negative, no further action is necessary.

If the result is positive, a confirmatory PCR test will be performed. Results available within 30 minutes.
 If the result of the PCR test is positive, please contact your provider immediately. Only a doctor can diagnose Covid19 and give out information about what to do next.

By signing this form for myself or on behalf of my student, I agree and attest to the following:

- I have signed this form freely and voluntarily.
- I authorize Covid19 testing to be conducted via collection and testing through a nasal swab, as recommended by a medical provider, school testing team member, or public health official. This consent extends to Covid19 testing performed during the 2021-22 academic school year, today through 6/30/2022, and can be updated at any time.
- I consent to Exposure Testing: when a classmate/teacher tests positive.
- I consent to Symptoms Testing: when my child has symptoms or develops symptoms at school.
- I consent to Day 5 Screening Testing on day 5 after exposure to a classmate who tests positive.
- I consent to Screening Testing Weekly on my child's class screening day.
- I understand that positive test results will be reported to the State of Alaska and that I may be contacted by a State Department of Health & Human Services Representative.
- I authorize that test results and other information may be disclosed as permitted by law to my or my child's provider or public health officials upon request.
- I acknowledge that a positive test result is an indication of a requirement to self-isolate and wear a mask or face covering as directed.
- I understand that Spruce Tree Montessori School is not acting as a medical provider and that this testing does not replace treatment by a licensed medical professional.
- I assume complete and full responsibility to take appropriate action when I receive the test results either for myself or for my student. I agree I will seek medical advice, care, and treatment for myself and my student.
- I understand that, as with any medical test, there is the potential for a false positive or a false negative Covid19 test result. In the event that a test result is "invalid", a retest will be performed.
- I understand that there will be no out-of-pocket cost for this testing.
- I understand that this consent form is valid through June 30, 2022, unless I notify the school, **in writing**, that I revoke my consent.
- I freely give this consent and I do hereby release and hold harmless Spruce Tree Montessori School from any and all liability or damage which may result from the disclosure of information herein authorized.
